ABOUT THE COMPOSER

Rob Romeyn's music career has been multi-faceted and diverse. He has served as a performer, conductor, educator and as a composer and arranger. As a band director, he has directed bands from the elementary level to adult community groups. His first composition for band was published at age 19. His ability to write effective and educationally sound music for bands of all levels can be attributed to his vast teaching experiences.

Many elementary, middle school, high school, university, and community bands worldwide have performed his arrangements and compositions. He has been commissioned to write for marching band, concert band and jazz ensemble. His concert band music is on many state required music lists. Many of his arrangements have been featured on national television, including portions of the Peach Bowl halftime shows for 2000-2001, and the 2008 Macy's Thanksgiving Day Parade. His "After the Battle" was performed at the 2007 Midwest Band and Orchestra Clinic. Mr. Romeyn is a member of the American Society of Composers Authors and Publishers. Much of his music has been recorded, and is available on CD and download through Walking Frog Records and other music outlets.

Mr. Romeyn received a M.M. Ed. Degree from the University of Louisiana at Monroe. He served as staff arranger for the University of Louisiana at Monroe "Sound of Today" band from 1983-1986. His graduate assistant duties at ULM in addition to arranging included conducting the university concert band and the basketball pep band. Mr. Romeyn also served as staff arranger at James Madison University. He was the director of the St. Petersburg Community Band in St. Petersburg, Florida from 1994-2013.

PROGRAM NOTES

Of Heroes And Demons is an epic programmatic work for concert band that captures the fight between good and evil. The work opens with a heroic fanfare that commands attention. From here the music subsides into a beautifully lyrical chorale section. Our story unfolds as the demons theme is introduced, developed and expanded, creating a feeling of unresolved conflict, ultimately leading to a thunderous climax. The heroic theme then returns, stronger and more developed, as our battle between good and evil comes to its conclusion. The final brief battle theme creates a dramatic close to our story.

REHEARSAL SUGGESTIONS:

Please observe dynamic markings in the opening measures of the piece. This will greatly enhance the effect of this section. The section beginning at m. 28 should be played in an expressive and flowing manner. Strive for balance between the flute, oboe, and melody line here. M. 37 marks the beginning of the demons theme. Please give all accented notes followed by a rest full value for a full bodied sound. Feel free to adjust the tempo to fit the ability levels of the ensemble. M. 62 marks the beginning of a long crescendo leading into m. 68. The section at m. 82 should be calmer and less intense, contrasting with the forceful and aggressive section starting at m. 94. The section at m. 127 should be broad and sustained. Please observe the big rallentando leading into the recap at m. 136.

I hope that you and your ensemble enjoy rehearsing and performing **Of Heroes And Demons**. Please contact me at my composer page at www.barnhouse.com with any comments or questions.
