PROGRAM NOTE

This contemporary arrangement of the traditional *Ukrainian Bell Carol* is a fresh new sound for our holiday concert. Intertwined with other classic holiday melodies, Robert W. Smith has truly gone *Beyond The Bell Carol*. Our performance features multiple soloists. Feel free to clap and respond during our performance as we light up the room with popular sounds of the holiday season!

NOTES TO CONDUCTOR

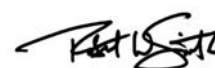

The opening flute solo and the subsequent duet with the horn should be reflective and tranquil in contrast to the energy and rock style to come in measure 19. The crescendo into 19 is crucial to the stylistic change and effect. Please note the forte in measure 19 followed by the decrescendo into measure 27.

Please note the optional guitar parts including lead, rhythm and bass. Although these parts are not necessary for the performance, they provide an opportunity to enhance the rock style as well as feature talent not normally associated with the concert band. I would suggest staging the guitars in a prominent position.

Dynamic contrast is important throughout. Please exaggerate the notated dynamics and, most importantly, the transitions between dynamic levels.

At measure 111, the arrangement provides the opportunity to feature multiple soloists. I have included written solos as suggestions in the alto sax and trumpet. This is also an excellent opportunity to feature a driving electric guitar soloist if available. Please use this as an improvisation experience for all and direct the band to repeat as needed for your performance. Like a jazz ensemble, feel free to withhold accompanying figures in the other winds and layer their entrances based on the number of times this section is repeated.

I hope that you, your band and audience enjoy *Beyond The Bell Carol*. I wish all a great performance and wonderful holiday season!
